RE: St Vrain Sanitation District - Draft Industrial Pretreatment Program Submittal

Dear Mr. Al Garcia,

Enclosed is the St Vrain Sanitation District's draft submittal of the Pretreatment Program and supporting documents for your review. All of the documents requested in your March 15th, 2024, email are included. The Board has publicly adopted the EPA approvable Rules and Regulation changes on January 10th, 2024.

Enclosed are the following documents:

- Rules and Regulations – Legal Authority for implementing 40 CFR 403 regulations.
- Local Limits – Local discharge limitations for all District Users
- Permit Template – Legally binding agreement between the District and the Industrial User on discharge, reporting, and compliance requirements.
- Enforcement Response Plan – Guidance document outlining and defining response actions for District staff managing violations.
- Staffing Plan – Budget and allocation of resources within the District
- Industrial User Inventory – List of all non-residential users.

The District is adhering to all federal requirements for public participation.

Please reach out to me with any comments or questions.
